Tiles & Trims

Classic shapes, sizes and elongated rectangles emphasize the versatility of the Soho collection. Tiles and trims now include new and more contemporary 2 x 12 inch / 5 x 30 cm tiles, an expanded assortment of 4 x 16 inch / 10 x 40 cm tiles and additional bullnoses and new quarter round trims. Matte tiles are on trend and well suited for today's retro modern interior design style and therefore Anatolia has expanded its assortment of matte finish options. Soho glossy finish continues to be available across the collection. These tiles and trims are well suited for a variety of contemporary wall installations.
